A Profile of Students Enrolled

Fall 2017

Prepared by the Office of the Registrar

Preface

Keep in mind the following items of explanation when reviewing information contained in the *Profile of Students Enrolled at The University of Iowa, Fall Semester 2017*.

1. The University of Iowa data found in this report is based on the census date snapshot which occurs at the end of the tenth day of the semester. This is in alignment with the reporting dates of the other Regents' institutions.

2. Entrance examination scores for the Henry B. Tippie School of Management and the Graduate College are reported for the previous year's classes in order to include all available information compiled in these areas and to more accurately reflect the range of scores for the entire entering class. The early date of preparation of this report would have allowed inclusion of only a fraction of these scores for students entering Fall 2017. Entrance examination scores and G.P.A. data for the professional colleges of Dentistry and Law are reported for their Fall 2017 classes.

3. Beginning Fall 2014, most breakdowns "by college" are now available by curricular college and program college. Curricular college is defined as the managing unit responsible for the curriculum and teaching of the programs of study while program college is defined as the managing unit responsible for the awarding of degree or credentials upon successful completion of the program of study.

4. Beginning Spring 2016, The University of Iowa began its Inclusive Student Records initiative. All reports contained in the profile previously done "by gender" are now reported "by sex". Any comparison reports were changed to reflect the new categories. For more details regarding the Inclusive Student terminology, please see the Resources for Trans Communities and their Allies website - https://uiowa.edu/ui-trans-resources/identity-terminology."

5. Beginning Fall 2017, the Tippie School of Management was renamed Graduate Management Programs.

6. Beginning Fall 2017, students exclusively enrolled in Iowa Intensive English Program (IIEP) courses, previously included in the undergraduate counts, are no longer being included in any enrollment totals. Note, data regarding the number of students participating in the Intensive English Program can be found in those tables which specifically break out programs of study.

Further clarification of materials contained in the Profile of Students Enrolled may be obtained by contacting the Office of the Registrar at reg-data-requests@uiowa.edu or the Office of Admissions at admissions@uiowa.edu
